FLNRO proposal to expand the deer hunting season:

Here is a summary of the current and proposed changes: Currently the hunting season on Hornby and Denman for deer opens on October 5 and runs through December 10. The proposal is to synchronize the start date with the rest of the region by moving the start date to September 10. In addition, there is a proposal to establish a bow only season that would open August 25 and run through September 9 each year. These regulations are currently in place across Vancouver Island and the other Gulf Islands.
