

DIRA Commercial Liability Insurance Proposal

As part of DIRA's Grant-in-Aid, \$1000 was allocated towards our commercial liability policy.

The total insurance cost last year was \$4206.00 and there is every reason to think it will be much the same this year. The Old School Committee share, again based on last year's figures should be approximately \$2400.00. The remainder, approximately \$1800.00, should be covered by DIRA committees.

Therefore, what follows is a suggested breakdown of insurance costs for committees:

Bill Mee Park	up to \$200.00
Waste Management	up to \$200.00
Graham Lake Swim Dock	up to \$200.00
Community Dock	up to \$200.00
Trails	up to \$200.00
Old School	up to \$200.00
Pesticide Free	up to \$50.00
CVRD Grant-in-Aid	\$1000.00
Total	up to \$2250.00

Two committees are not considered here:

1. Parks is covered by the Regional District policy.
2. Wild Life Advisory has no resources and has minimal liability issues.
