

Happy New Year!

Please find attached a report on the volunteer hours we spent working in BC Parks this year. I think it impressive.

I noticed that the Parks Committee reported that they spent around 350-hours of volunteer time this year. I then noticed that this total includes meetings and work in both CVRD and BC Parks.

I want therefore to adjust our total volunteers hours as follows:

BC Parks: 276.5-hours.

CVRD: 120-hours.

Meetings: 150-hours.

TOTAL: 546.5-hours.

Therefore I want to thank all of you all for your contribution toward these hours on behalf of the Trails committee and Denman island.

Allan.
